

The Island Hotel Community Policy

The Island Hotel Management is committed to ensure positive relationship between hotel and the local community.

The Island Hotel values its guests, employees and local community equally and is committed to maintain, develop and update its health and safety policies continuously to ensure that maintains a safe and secure environment for all.

The Island hotel primary goals are as follows:

- To inform the staff, guests, collaborators, suppliers and local community about the environmental advances in the establishment and to submit the future installations or activities extensions projects to sustainability criteria.
- To cooperate with all regulatory authorities, promoting and implementing best practices.
- To support and promote local businesses by choosing locally produced goods and services while ensuring and maintaining the quality, health and safety, reliability of provision, competitive cost and reduce the needless travel and fuel emissions.
- To partnership with local schools and colleges and provide training and employment opportunities.
- To employ local people in its establishments while encouraging local residents to stay within the community rather than seeking employment outside the community.
- To support local charities, proceed to donations and financial support to 3 local churches to prepare and deliver daily meals to homeless and families in need.
- To donate equipment such as furniture, electrical appliances or linen that is no longer suitable for use within the hotel to local organizations such as children institutions or elderly people nursing homes.
- To retain its buildings, gardens and surroundings to a high standard, specifically keeping the public beach clean, free of litter and provide a lifeguard to ensure hotel guests and locals safety on the beach.

Our vision is the preservation of the natural environment, the continuation of our cultural heritage and the conservation of social responsibility. The management and the staff of **The Island hotel** are dedicated to uphold all the best practices in favor of a better future and a healthy tourism.
